Educaplay <u>https://www.educaplay.com/</u> is a complex tool that offers a variety of activities: various Matching games, various types of Quizzes (Video, Map), Crossword puzzle, Dialogue Games (where dialogues from films can be used), Dictation (which can be used for comprehension check, spelling check etc.), Fill in the blanks game, Froggy Jumps Game, Memory Games, various Unscramble Games, Puzzles, and Riddles. The site offers a "library" of activities created by members that can be used as such ort as models for other activities. Many activities in the library are created for adult learners in mind, for various levels and for specialised languages. The large variety of activities and high level of adaptability to learners' age, language level, domain (any, in fact), as well as the fact that it is language independent makes it a flexible and useful tool. The interface is intuitive and user-friendly. Each type of activity comes with its own easy-to-follow video tutorial.
